

Sri Sathya Sai Seva Organisation-India

AIP Circular-40 Dated 29-04-2020

Sub: Covid 19 Seva

Dear Brothers and Sisters

Sai Ram

Please find herewith a set of guidelines in PDF and PPT formats. I am extremely grateful to the Trust Convenor, Tamilnadu and the State President Tamil Nadu and Metro President Chennai Metro for putting the guidelines together. Please follow implicitly and share with all.

Further, I had requested all states to form a task force to bring out precautionary material in local languages for enabling the rural population in your states to become aware of the precautions they must take to save themselves and their families and also serve the community by such precautions during this Covid 19 pandemic...Please do not ignore this Seva as according to me to make people aware is half the battle won. I am sure you are all doing this. I will keep in touch with you on this subject.

Jai Sai Ram

Loving Regards

Yours in His Service

Nimish Pandya,

All India President
