Few districts are sending more sevadal in 3rd batch, but they are not meeting their allotment figure in the 1st and 2nd batches. The DPs are requested to ensure to concentrate on 1st and 2nd batches also as the allotment of sevadal in these two batches is minimum.

Please send this circular to the DYC, DSC and other District coordinators, gents / mahila and to all Samithi conveners without fail.

DPs are requested to depute educated Graduate/Post Graduate and/or Professionally qualified youth within age group of 20 to 35 years with a height of 5' 7" to 5' 9", and well built with proportionate belly and shoulder and of normal to fair complexion for Core Group selection, duly coordinating with DYC's against 40% youth quota.

It is mandatory for the DPs to tour each and every Samithi and Bhajan Mandali along with District Service coordinators and District Youth Coordinators, motivate active workers and devotees to mobilize the required sevadal as per the allotment and criteria given. They are requested to contact sevadal in person to motivate them to attend PN Seva. DPs are requested to divide the district into zones and allot each zone to one of the District Coordinators so as to coordinate, mobilization and motivation of Sevadal along with Samithi and Bhajan Mandali conveners. As already informed, all sevadal must be trained and briefed about Prasanthi Nilayam Seva by conducting training camps before coming to seva. Details of the Training Programmes (Venue and Date) may be informed to State Sevadal Coordinator (PN Seva). The number of Sevadal attending each camp may also be informed. The nominated Batch in-charge and Group Leaders also shall attend the Training / Briefing camps in the District.

Please note that first time comers for PN Seva may be sent only after Briefing and training at District level. It is the responsibility of DPs and DSCs to ensure that sevadal who are chronic BP, diabetic, heart patients, old and physically disabled, mentally retarded persons, patients suffering from Fits shall not be deputed for PN Seva. In spite of repeated advices, sending such persons causes anxiety and disturbance during seva. Please note the following:

- 1) We must ensure that office bearers and Samithi Conveners and Samithi Coordinators attend Prasanthi Nilayam Service at least once in 3 years. The DPs shall prepare a roaster of all District, Samithi and Bhajan Mandali office bearers immediately and ensure that all office bearers attend PN Seva. A copy of the roaster duly prepared may be sent to me so as to monitor about their attendance for PN Seva. All ASMs shall attend Prasanthi Nilayam Seva not less than once every year. This shall be monitored by DPs and DSCs.

We must ensure to improve the quality of PN Seva in order not to inconvenience the devotees coming for the Divine Darshan and to avoid comments from Ashram Authorities.

- 2) The DPs or Dist. Service Coordinators shall be present at Prashanthi Nilayam and coordinate the registration, duties allotment for the three batches.
- 3) DPs are requested to inform in advance the names of nominated Batch-in-charges and Group Leaders. It is observed that many sevadal are reporting late and arriving on the date of taking charge or after 2 or 3 days at their convenience. Due to these delays, deployment in sectors is effected and proper deployment is not taking place. DPs shall ensure that all sevadal arrive on the date of reporting. The nominated Batch in-charges shall know the sevadal sent from their Districts. The Batch in-charge shall not be a new member. Similarly, the nominated Group Leaders shall have knowledge of the sector proposed for them and must have rendered seva in that sector earlier.
